MAGISTRATE JUDGE NO. 2:16-MJ-00498-1

MEMORANDUM OPINION AND ORDER OF DETENTION PENDING TRIAL

A detention hearing has been held in accordance with the Bail Reform Act, 18 U.S.C. § 3142(f). The following requires detention of the Defendant pending trial in this case:

- (1) There is a serious risk that the Defendant will not appear; and
- (2) There is a serious risk that the Defendant will endanger the safety of another person or the community.

The evidence against the Defendant meets the probable cause standard. The findings and conclusions contained in the Pretrial Services Report are adopted. The Defendant has an outstanding warrant for failure to appear. His criminal history, though it involves misdemeanor convictions, reflects that he has almost never completed a probation period satisfactorily. He has committed new offenses while on probation on numerous occasions. He is a poor bond risk.

The Defendant is committed to the custody of the United States Marshal or his designated representative for confinement in a corrections facility separate, to the extent practicable, from persons awaiting or serving sentences or being held in custody pending appeal. The Defendant shall be afforded a reasonable opportunity for private

consultation with defense counsel. On order of a court of the United States or on request of an attorney for the Government, the person in charge of the corrections facility shall deliver the Defendant to the United States Marshal for the purpose of an appearance in connection with a court proceeding.

ORDERED this 26th day of April, 2016.
